

# FOSLIFE® L-65 as **Natural Sweetener**

Fructooligosaccharides (FOS) are a type of naturally occurring prebiotic fiber found in various fruits, vegetables, and plants. In liquid format, FOS serves as a versatile natural sweetener that also promotes digestive health by supporting the growth of beneficial gut bacteria. As a low-calorie, mildly sweet prebiotic fiber, FOS offers numerous health benefits, making it a valuable ingredient in functional foods, beverages, and dietary supplements.

## Key Ingredients:

Fructooligosaccharides
