BIOWEARTH

Our Competitive Advantage

- A full-service provider for private label contract manufacturing, specializing in Collagen formulations, Supplements with clinically tested ingredients, plant protein formulations and low sugar variants.
- 12+ years of combined experience in contract manufacturing and exports to over 20 countries
- Manufacturing tie-ups across Japan, Poland, USA and India for producing tablets, capsules, gummies, melts, powder premixes, shots and more
- Strategic partners for botanical extracts and plant-based ingredients across India
- A fully equipped manufacturing facility that upcycles fish and shrimp byproducts into high-value ingredients like fish ossein, shrimp chitin and chitosan
- Commitment to quality is paramount and the manufacturing facilities hold necessary certifications which include EU, US-FDA, FSSAI, GMP, HACCP, Halal, ISO, FSSC, BRC
